GLEN GROUP

SERVICES FOR THE EDUCATION SECTOR

Glen Cleaning are highly experienced professionals in managing educational facilities with cleaning services currently being provided at over 110 sites in the Midlands, South West of England and South Wales.

We fully understand the demands of operations in this specific environment and our CRB accredited staff and management are trained to work around children and young adults.

We have extensive experience in public and private sector cleaning of nursery, primary, secondary schools and also a large number of colleges and Universities.

Glen understands the constraints of school budgets and offers a cost effective and integrated service covering all aspects of educational cleaning for our clients. Glen can also provide a regular and thorough cleaning programme to fit in around the school timetable.

Our management teams have vast experience of operating around evening classes, community programmes and providing holiday deep cleans in schools, academies and colleges.
